Rifles

Rifles The very best from Sako & Tikka are now available at great value pricing thanks to the buying power of a stronger Aussie Dollar.

American manufacturers are well represented by such famous makes as Ruger, Winchester, Remington, Browning, Weatherby, Marlin, Harrington & Richardson, Savage and many more.

CZ Brno firearms with a reputation for rugged reliability, have increased their line up with new models in the Rimfire .17HMR and .17 MachII. The Centrefire Brno's in .22 Hornet, .222, & .223 are steadily gaining market share in this very competitive caliber category.

Current trends show the Weatherby Vanguard in a range of Models & Calibers is the clear market leader in the entry level of firearms that represent fantastic value.
