Lightforce Night Hunter Pack \$340.00

\$340.00 (including 10% GST)

Lightforce - 140 Nighthunter Hunter Pack # NH140Pack

The NIGHT HUNTER 140 hunting pack is the ultimate solution for remote mounting a spotlight on any firearm or bow. This 5.5-inch (140mm) diameter light features optimum output bulbs for maximum mobility and shooting time. Included is a mounting bracket for a shotgun or rifle, a 8 Amp Hr battery, battery carrying bag, cigarette lighter plug 12VDC car charger, and a virtually unbreakable CLIP-ON red filter, which is ideal for the observation of light shy game. This kit also includes a professional quality plastic carry/storage case. Comes with 30 Watt bulb installed.
